- Absent: Joel Sauer Partial Quorum present

Block Party Update (Anita)

- Food and bounce house are ordered
- Activities are planned, in process of purchasing door prizes
- Will be ready!

Postcard Update: Kelly sent it to the printer with Home Tour reminders, etc. Should go out early next week

First Fridays on Broadway

- We were invited to have a table at the Firehouse to promote whatever we like on Friday, July 3rd in partnership with the Firefighter Union
- Kelly will respond and say we would consider in September to promote the home tour
- Anita suggested handing out WC branded suckers

Residential Street Speed Limits

- Our speed limits are currently 30 MPH even though a few years ago the City announced a transition to 25 MPH.
- Discussed if we can we advocate for the change
- There are no speed limit signs in WC
- No action item at this point

H&G Tour Update

- 4 confirmed homes, plus Trinity Episcopal; plus 2 more solid options
- June ticket presale started today- we've already sold 40 tickets!

Flock Cameras

- JonPaul sent some background information on the existence of Flock Cameras in the neighborhood (there are currently 4) and risks/concerns about data gathering
- They are an AI tech company using AI to scan cars (license plates, dents, scratches, etc) supposedly to help police locate vehicles and solve crimes
- Discussed compiling information on this to share with the membership
- JonPaul will present educational material at Monday's meeting, the Board will not take a position similar to the casino issue

Connected Neighborhoods Grant Update- no update at this time

Membership

- Have exceeded membership from last year!
- 230+ members
